

DVD Slideshow Packages

Tell a unique story using your photographs and your choice of music with our custom DVD Slideshows. Below are examples of Silver, Gold, and Platinum DVD Slideshows. Each sample represents the features included depending the package you select. Your photographs can be transformed into any of the three packages.

Please note that the songs determine how long your DVD Slideshow will be. For example, a slideshow containing 3 music selections, each 4 minutes long, will be about 12 minutes long.
